## About Me

Seasoned experts with **5+** years of experience in the web & blockchain development and rich knowledge from low-level to high-level languages.

Proficient in developing full stack web applications across multiple platforms using best programming languages for web development like **HTML, CSS, JavaScript, React, Angular, Vue, Typescript, PHP, Ruby, Python, Java, NodeJS** and **Solidity**.

Rich experience in implementing of **AWS** solutions and strong understanding of different development methodologies such as **Agile** and **TDD**.

## Work Experiences

### ELANIIN

Web3 Developer | 03/2021 – 08/2022

- Developed a web-based application using **100% React JS**
- Strongly typed coding using **ES6** features and **Typescript** for 15% better visuals.
- Responsible for developing the **UI pages** using **Angular6, HTML5, CSS3, JavaScript** and **Bootstrap**.
- Coded extensively using JavaScript frameworks by implementing **MVC** architecture.
- Worked on design, implementation and modifying the **Python** code, **PostgreSQL** database schema on the back end, increasing efficiency by **41%**.
- Actively played the role of an **Agile** Programmer and followed **TDD** concepts to get high 13% effect.
- Worked the **backend** by using **Node JS, Express** and **MongoDB** for 6+ months.
- Developed **frontend** by using **AngularJS** and **JavaScript**.
- Have worked on **AWS** to integrate the **server-side** and **client-side code**, saving company **\$2,000+** monthly.
- Participated in developing the **smart contract**, which took me 8 months.
- Built 3 reusable **cross-chain libraries**
- Improved data structures to solve 3 serious issues and ease the work of the dev team

### LIVATEK

Web Developer | 08/2018 – 01/2021

- Worked on **React.JS** components, Forms, Events, Keys, Router, Animations and Redux concept for 3+ months.
- Developed **Single Page Application** using **Angular JS** in just **30 minutes**.

- Developed the web component using **HTML5, CSS, JavaScript, j Query, Redux** and **ReactJS** to increase target audience engagement by **8%**.
- **Collaborated** with designers and performance team on designing updates to sites and blogs, improving user experience by **39%**.
- Involved in writing **SQL Queries** and **Stored Procedures**, increasing processing effectiveness by **21%**.
- Test RESTful design by using 60% **Postman**.
- **Communicated and worked** with internal departments including managers, sales, customer service, project managers for 6+ months.
- I have used **GIT** for over 5 years for version control system and code management.
- Found and fixed over **70 bugs**, increasing security and usability
- Working on the formation and maintenance of innovate **blockchain** technology, and conducting expert market research
- Gaming platform over **Ethereum** blockchain using **ERC 721**

## Education

Technical university of denmark | 2015-2018

Bachelor of Applied Science(Computer Science)

## Skills

### Programming Languages

- |              |              |        |          |
|--------------|--------------|--------|----------|
| ○ C/C++/C#   | ○ TypeScript | ○ Go   | ○ React  |
| ○ CSS        | ○ Python     | ○ Java | ○ NodeJS |
| ○ JavaScript | ○ Ruby       | ○ PHP  | ○ HTML5  |

### Frameworks

- |              |           |          |            |
|--------------|-----------|----------|------------|
| ○ Express.js | ○ Django  | ○ Spring | ○ React.js |
| ○ Laravel    | ○ Angular | ○ Vue.js | ○ ASP.NET  |

### Cloud Platform

- |       |         |
|-------|---------|
| ○ AWS | ○ Azure |
|-------|---------|

### Database

- |         |              |           |          |
|---------|--------------|-----------|----------|
| ○ MySQL | ○ PostgreSQL | ○ MongoDB | ○ SQLite |
|---------|--------------|-----------|----------|

## Interests

- |                 |          |            |                      |
|-----------------|----------|------------|----------------------|
| ○ Reading Books | ○ Tennis | ○ Football | ○ Making new friends |
|-----------------|----------|------------|----------------------|
